

Introduction for Tim Cimbura's Speaking / Entertainment Programs

For your convenience, a pre-recorded introduction is available. This is the preferred method of introducing Tim's program. If you have an announcer that you would rather use, this information will aid them.

"Cimbura" is pronounced with an "S" sound at the beginning stressing the second syllable. Sim-BUR-ah. "Tim" is pronounced as it looks. 😊

Read the following introduction with energy. Make definite pauses where you see "... " and you'll get a good laugh.

Our guest today is Tim Cimbura. Tim is a speaker, magician, juggler... and technology business consultant! With his varied interests, experience, and approach to life, Tim still hasn't figured out what he wants to be IF he ever grows up.

Tim performs for thousands of people each year around the world...but lives in a suburb of Minneapolis. If you've seen Jay Leno or David Letterman lately [pause]... Well, so has he!

It has been said that Tim performs the most insightful and amazing presentation the world has ever known. [pause]... Now meet the man who said it. Please welcome Tim Cimbura!
